" If you have come here to help me you are wasting your time, but if you have come here because your liberation is bound up with mine, then let us work together." Lilla Watson, Aboriginal educator, Brisbane, Australia

This is a personal invitation to become a Virtual Sister of Mudgin-Gal

As Virtual Sisters we will become an on-line community of women who support the work of Mudgin-Gal in particular and of Australian Aboriginal women in general. Mudgin-Gal Aboriginal Corporation is the Aboriginal women's resource centre located in Redfern, Sydney ... and much, much more. By sharing resources and expertise, each of us will be able to contribute to a more positive outlook for our black sisters and their families.
